

Price Structure

Our pricing structure is based on school terms. Payment is discounted based on payment in advance for the whole of the next 1/2 term. You can either pay for 2 lessons a week, or 'unlimited' lessons taking advantage of all of our lessons.

We have optional holiday camps in half terms and end of term breaks, please ask your club instructor for more details. If you choose not to pay in advance, then the 'pay as you go' rate comes into effect.

Family discount available

We would like you to take advantage of our discount rates for families (including a mixture of children and adults). Each additional member of the family gets a discount off their fee:

1st family member	0% off
2nd family member	20% off
3rd family member	30% off
And 10% off for each additional family member	
10th family member	FREE!!!

Loyalty Reward Scheme - 50% Off!

Do you want to save 50% per 1/2 term? All you need to do is invite someone else to the club. If they join the club and pay for a 1/2 term membership, then you get 50% off your next 1/2 term.

This means if you get 12 paying members to join the club throughout the year, you could get your whole year of training for free!
